

Welcome

Back to School

Pine Island Academy PTO

We can't believe it is almost time to start a new school year! We hope everyone had a relaxing summer full of adventures.

The following pages include important information to prepare for Back to School!

The PTO is excited for the new school year as we continue to plan community building events, provide teacher & classroom support, and fund capital enhancement projects for Pine Island Academy.

We can't wait to see you soon!

Membership

Sign up to join or renew your 2022-2023 Pine Island Academy PTO Membership today!

<https://www.piapto.org/membership>

Pine Island Academy PTO membership is a financial contribution that allows us to fund projects that benefit the entire school community.

While volunteers are always welcomed, joining the PTO is not a commitment to volunteer. PTO membership, at any level, is an easy way to provide support to our school, and is greatly appreciated by our children and staff.

Thank you for your support!
