2018 Wichita Expungement Drive -- Apply by September 30!

Through the Kansas Bar Foundation CRHA Grant Program, Kansas Legal Services and the Wichita Bar Association are holding an expungement drive this fall.

Applications accepted between August 15, 2018 until September 30, 2018 ONLY.

What is an expungement?

An expungement is the sealing of criminal conviction, diversion, or even an arrest. After an expungement, qualifying criminal convictions can only be discovered by certain individuals, and only has to be disclosed in certain situations. An expungement basically removes a conviction from your record.

What is an expungement drive?

Individuals interested in removing a qualifying conviction from their record apply online at www.kansaslegalservices.org or by phone (1-800-723-6953) between AUGUST 15, 2018 – SEPTEMBER 30, 2018 for the fall project.

What's the timeline?

Applications for the project will be accepted August 15, 2018 - September 30, 2018. Applicants will then be prescreened. If you qualify for an expungement, you will have to pay a \$20 background fee to obtain the information needed for your expungement. Your case will then be given to a volunteer attorney to draft your documents. Your documents should be prepared and handed off to the district attorney or prosecutor by December 1, 2018. The prosecutor will then review the documents to verify your case qualifies. This can take some time, but we anticipate

all cases being completed by early spring 2019.

What are the requirements to get an expungement?

- You must not have any pending criminal cases.
- You must not have had any contact with law enforcement in the last two years.
- **At least 3 to 5 years must have passed since you were released from probation and all supervision (depending on crime).**
- Removing your record must be consistent with the public welfare.
