

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to NevBio.org, and the Nevada Biotechnology & Health Science Consortium and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Nevada Biotechnology & Health Sciences Consortium include NevBio, and NevBio.org. By using the NevBio newsletter and/or website, you consent to the data practices described in this statement.

Collection of your Personal Information

We do not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to us when you elect to use certain products or services. These may include (a) registering for an account; (b) sending us an email message. To wit, we will use your information for, but not limited to, communicating with you in relation to services and/or products you have requested from us. We also may gather personal information or non-personal information in the future.

Use of your Personal Information

NevBio collects and uses your personal information to operate and deliver the services you have requested.

NevBio may also use your personally identifiable information to inform you of other products or services available from NevBio and its affiliates.

Sharing Information with Third Parties

NevBio does not sell, rent, or lease its customer lists to third parties.

NevBio may share data with trusted partners to help perform statistical analysis, send you emails, or provide customer support. All such third parties are prohibited from using your personal information except to provide these services to NevBio, and they are required to maintain the confidentiality of your information.

NevBio may disclose your personal information, without notice, if required to do so by law or in the good faith that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on NevBio or the site; (b) protect and defend the rights or property of NevBio; and/or (c) act under exigent circumstances to protect the personal safety of users of NevBio, or the public.

Automatically Collected Information

Information about your computer hardware and software may be automatically collected by NevBio. This information can include: your IP address, browser type, domain names, access times, and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the NevBio website.

Use of Cookies

The NevBio website may use “cookies” to help personalize your online experience. A cookie is a text file that is placed on your computer by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web Server that you have returned to a specific page. For example, if you personalize NevBio pages, or register with NevBio site or services, a cookie helps NevBio to recall your specific information such as names, email addresses, and so on. When you return to the same NevBio website, the information you previously provided can be retrieved, so you can easily use the NevBio features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the NevBio services or websites you visit.

Links

This website contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

Security of your Personal Information

NevBio secures your personal information from unauthorized access, use, or disclosure. NevBio uses the following methods for this purpose:

SSL protocol

When personal information (such as credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

We strive to take appropriate security measures to protect against unauthorized access to or alteration of your personal information. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us between this site cannot be guaranteed.

Right to Deletion

Subject to certain exceptions set out below, on receipt of a verifiable request from you, we will:

Delete your personal information from our records; and

Direct any service providers to delete your personal information from their records.

Please note that we may not be able to comply with requests to delete your personal information if it is necessary to:

Complete the transaction for which the personal information was collected, fulfill the terms of a written warranty or product recall conducted in accordance with federal law, provide a good or service requested by you, or reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform a contract between you and us;

Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity; or prosecute those responsible for that activity;

Debug to identify and repair errors that impair existing intended functionality;

Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided by law;

Comply with the California Electronic Communications Privacy Act;

Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when our deletion of the information is likely to render impossible or seriously impair the achievement of such research, provided we have obtained your informed consent;

Enable solely internal uses that are reasonably aligned with your expectations based on your relationship with us;

Comply with an existing legal obligation; or

Otherwise, use your personal information, internally, in a lawful manner that is compatible with the context in which you provided the information.

Children Under Thirteen

NevBio does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

E-mail Communications

From time to time, NevBio may contact you via email for the purpose of providing announcements, promotional offers, alerts, confirmations, surveys, and/or other general communication. In order to improve our Services, we may receive a notification when you open an email from NevBio or click on a link therein.

If you would like to stop receiving marketing or promotional communications via email from NevBio, you may opt out of such communications by clicking the "unsubscribe" link or by emailing danielh@NevBiomedicine.com with your request to unsubscribe.

Text Message Communications

We respect your privacy. We will only use information you provide to transmit your mobile messages and respond to you, if necessary. This includes sharing information with our program partners, message content providers, phone companies, and vendors who assist us in the delivery of mobile messages. EXCEPT AS SET FORTH IN THIS SECTION, WE DO NOT SELL, RENT, LOAN, TRADE, LEASE OR OTHERWISE TRANSFER FOR PROFIT ANY PHONE NUMBERS OR CUSTOMER INFORMATION COLLECTED THROUGH PROGRAMS TO ANY THIRD PARTY. Nonetheless, we reserve the right at all times to disclose any information as necessary to satisfy any law, regulation or governmental request, to avoid liability, or to protect our rights or property. When you complete forms online or otherwise provide us information in connection with a Program, you agree to provide accurate, complete, and true information. You agree not to use a false or misleading name or a name that you are not authorized to use. If in our sole discretion, we believe that any such information is untrue, inaccurate, or incomplete, or you have opted into a Program for an ulterior purpose, we may refuse you access to the Program and pursue any appropriate legal remedies.

This Privacy Policy and Terms and Conditions is strictly limited to these Programs and has no effect on any other privacy policy(ies) that may govern the relationship between you and us in other contexts.

External Data Storage Sites

We may store your data on servers provided by third party hosting vendors with whom we have contracted.

Changes to this Statement

NevBio reserves the right to change this Privacy Policy from time to time. We will notify you about any significant changes in the way we treat personal information by sending a notice to the primary email address specified in your account, by placing a prominent notice on our website, and/or by updating any privacy information. Your continued use of the website and/or Services available after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by that Policy.
