

Champlain College Alumni Book Club

Join the alumni book club launching this Fall! With monthly virtual meetings, we will read a new book each month, spanning various genres.

When: Monthly, Tuesdays at 8pm ET / 5pm PT / 7pm CT

You do not have to attend every meeting to participate in the book club.

Where: Virtual, via Zoom link sent each month.

Book Selection: Members can nominate a book to include in the monthly book selection poll. The poll will be sent out after each meeting, giving all interested participants 24 hours to make their selection, after which the final selection will be shared via email. There's a new theme each month!

Books must be at least a year old, so they are most likely to be available in libraries.

Discussion Leaders: Interested members will rotate as Discussion Leaders. The Discussion Leader is responsible for providing discussion prompts and guiding questions for the selected book.

Mocktail/Cocktail Pairing: Alumni Relations will share a recipe for the perfect pairing!
