Join us for an exciting evening of fun, friendly competition, and giving back!

Buy-in is \$100 and includes \$3,000 in tournament chips to get you started. For the first hour, players will have the option to rebuy for \$50, adding to the action. After the first hour, gameplay continues with no additional rebuys, raising the stakes as players compete to advance.

We'll be offering prizes for winners in both the novice and intermediate levels, so players of all experience levels have a chance to take home a win. There will also be a raffle during the event, adding even more opportunities to participate and support the cause.

Whether you're a seasoned player or just in it for the fun, it's a great night out for a great cause!

We'd love for you to invite and share this with your family and friends.
