The Ambassadors

Revolution Dance Center's Ambassadors are proactive and confident young dancers who have been recommended by teachers to be advocates for the studio. Our Ambassadors are more than just dancers; they are given the unique opportunity to be a part of the RDC community as performers and representatives of Revolution Dance Center. Beyond the studio, they give back to the community through meaningful service projects, fostering a spirit of generosity and connection. The Ambassadors grow not only as dancers but also as leaders, building confidence, compassion, and a deeper appreciation for the positive impact they can make both on and off the stage.

Applications Due: July 14th

The Crew

The Crew is an exclusive, audition-only team led by the renowned Mr. Jason, designed for intermediate/advanced hip hop dancers. The curriculum is fast-paced and assumes a solid understanding of Mr. Jason's distinctive teaching style. Focusing on performance qualities, free-styling, and integrating hip hop with other dance styles, The Crew pushes dancers to their full potential. Members of The Crew enjoy numerous performance opportunities, including major community events and special appearances at professional venues. With years of hip hop training under Mr. Jason, these dancers are prepared to excel and shine on any stage.

The Company

The Company is an audition-only competitive dance team that goes beyond technique and performance. It's a place where dancers thrive in a supportive, creative environment while building responsibility, leadership, and a passion for community service. Company members are on an accelerated path, mastering styles like ballet, jazz, tap, hip-hop, lyrical, contemporary, and musical theater. They train extensively through RDC's Pre-Professional Track, which includes required classes in ballet, jazz, and turns & leaps. Known for their versatility, The Company competes and attends conventions across Southern California and Nevada, earning recognition as skilled, adaptable dancers. Beyond the stage, they embrace community service, embodying kindness, drive, and determination. Many Company alumni continue dancing in college, conservatories, or professionally, inspired by the encouragement and opportunities they found here. The Company is where passion meets purpose, and dancers are empowered to shine in every way.
