Receive $10 for Sharing a Reflection or Completing a Short Survey

Dear UCSF Community Members,

Our Narrative Medicine website continues to grow as a space for reflection, connection, and creative expression across our clinical community. We're excited to now offer a small token of appreciation for your engagement.

You can now receive:

- $10 for each new reflection of at least 50 words submitted to the gallery (limit: 5 reflections per person) at: https://narrativemed.ucsf.edu/gallery
- $10 for completing a brief follow-up survey at: https://narrativemed.ucsf.edu/survey

Reflections can explore what a piece evokes for you—emotionally, intellectually, or in relation to your experiences in health care. The follow-up survey takes just a few minutes and helps us understand how the platform is being used and experienced.

At the end of the survey, you will have the option to provide your email address to receive the gift card. Please note that if you choose to provide your email, your responses may be identifiable. However, your contact information will be used only for compensation purposes and will not be included in any analysis or reporting.

This incentive applies to reflections and surveys submitted **on or after May 5**, while funds are available. Although we cannot retroactively compensate earlier submissions, we're grateful for the contributions that have helped shape this space.

Thank you for being part of this ongoing conversation.

Warmly,
Anoushka Sinha, MD, MS
Clinical Fellow, Adolescent & Young Adult Medicine
