Academy of Medical Educators Informational Seminar

The Haile T. Debas Academy of Medical Educators (AME) at UCSF is holding an informational seminar available for anyone wanting to know more about the AME and about applying for membership. AME members include faculty from all the schools at UCSF.

Who should attend:

- Junior Faculty
- Future Applicants
- Program Mentors of Future Applicants
- Department and Division Leaders

Thursday, March 5, 2026
9:10 - 10 am (PST)

Register to attend the AME Seminar and receive the recording!

This session will address the questions:

- Why should I apply to the AME and what are the potential benefits to my career?
- What does the application process look like and how can I prepare myself to be a good candidate?

We will have a panel of AME members from across the campus to answer these questions.

The Academy's vision is to promote an educational climate that accelerates advances in teaching and learning, champions educator careers, and improves health. Academy members serve as mentors to faculty, residents, students, and other educators interested in developing their skills. They assist courses, clerkships, and departments in strengthening their teaching and education programs. Members actively participate in Academy governance, programs, and events, furthering our mission throughout the broader teaching community.

To learn more about our members and their roles and activities at UCSF, we invite you to visit the Academy's Directory.
