## **August 16- 22: Engage the World Prayer Requests**

**Norman & Julie Beck (MTW/Cherokee):** Praise God for providing all the needed financial support to be fully on the field in Cherokee, NC! Our Cherokee short term team just returned from serving alongside the Becks and Hills and others. Pray for the Becks as they will need a permanent house in Cherokee, at this time they are living in one of the cabins on the campground MTW leases for the summer short term teams. Pray for the relationships and contacts made this summer as well as for the youth ministry they will be focused on. Pray for the Lord's provision of a van for their ministry and the growth of Grace Community Church, the PCA plant there in Cherokee.

**Apel's, Mixon's, & Inoue's (Serge & SIM / Kenya):** Pray for peace as this nation is undergoing violent outbreaks in many parts after the election results were announced. Pray for humility in the leaders and for sobriety in those following. Ask God to protect especially the youth and the poor. Praise God that our missionaries are all safe.

**John & Karen Stodghill (MTW/Bahamas):** Join them in praying for a meeting place for Bible study and eventual Sunday morning worship. Pray as the new school year begins in the Bahamas that the Stodghills will have many opportunities to meet new students and families. Finally, pray for their marriage and for their team relationships to be pleasing to God and for unity and peace.

**Dave Culmer (MTW/Bulgaria):** Pray that God would continue to give our team wisdom to know how to reach out in new and relevant ways to his neighborhood there, Mladost. Pray that those who are a part of their church plant would continue to grow in their visions for reaching out to their neighbors and other relationships. Pray for Dave as he studies for a medical exam in November in the USA as part of his continuing certification as a family medical doctor. Lastly pray for Dave to continue to shepherd, evangelize, and disciple well among his believing and especially his non-believing friends.

**Kevin & Alexis Stokes (SIM/Nigeria) :** Praise God for a safe and relatively smooth move to a new location in northern Nigeria. Pray for Alexis as she begins teaching an Anatomy & Physiology Class to 100 community health workers & for Kevin as he begins teaching 3 seminary classes this August as well. Pray for students to have open ears to the gospel. Pray also for their baby Liam to transition well as Alexis returns to work and for reliable childcare for him.
