ENGAGING THE WORLD REQUESTS

FOCUS: Foster Care Advocates (Child Welfare Professionals and Counselors)

Pray for the safety and emotional wellbeing of social workers in the community of Greenville as they come face to face with difficult situations, and that our church and other churches in our community would care well for them.

Pray that social workers and administrators would fight discouragement and burnout and the Lord would renew them with the joy, hope, and peace in Christ.

Pray that the care given by the counselors and therapists in our church and community would benefit the children in foster care, foster parents, social workers, birth families, and other individuals involved in foster care.

Pray for the physical and emotional well-being for the counselors and pastors in our church and that the Lord would renew them with the joy, hope and peace in Christ.
