

The INFLUENCERS

Seminar Series

Presented by:

Mass General Brigham
Spaulding Rehabilitation

Discovery Center for
Musculoskeletal Recovery

HSC | HARVARD
STEM CELL INSTITUTE

Hosted by:

Dr. Fabrisia Ambrosio
and **Dr. Jenna Galloway**

The Discovery Center for Musculoskeletal Recovery at the Schoen Adams Research Institute at Spaulding Rehabilitation and The Harvard Stem Cell Institute are proud to present the inaugural season of The Influencers seminar series. This series is designed to highlight trailblazing researchers whose work is relevant to musculoskeletal tissue regeneration and recovery. **Seminars are held on Thursdays at noon in the Simches Auditorium on the main MGH campus.**
