## American Indian and Alaska Native Education Program

### TITLE VI

Poudre School District is applying for the Title VI Formula Grant for the first time. If awarded, funding would support the 25-26 school year.

### ABOUT THE PROGRAM

The program is designed to address the unique cultural, language, and educationally-related academic needs of American Indian and Alaska Native (AI/AN) students, including preschool children. More information can be found in the informational slides that can be accessed through the QR Code on this flyer.

### FORMS FOR YOUR CHILD TO PARTICIPATE IN TITLE VI FUNDING (*ED 506 Forms are Due 3/5/25*)

Title VI funding for PSD is based on the number of ED 506 forms (Indian Student Eligibility Certification Forms) we collect. If your student does not qualify to fill out an ED 506 form, please complete the Native American/Indigenous Student Information Form to help us plan initiatives accurately. We encourage all families to submit this form. (You can access all forms by scanning the QR Code on this flyer; they are on page 1.)

### WHO WILL SEE MY FORMS?

Your forms stay within PSD and are not shared beyond the district. For grants, we only report the number of verified ED 506 forms. If audited, officials confirm our count but do not receive copies of the forms.

### PARENT/CAREGIVER COMMITTEE

If you would like to join the Title VI Parent/Caregiver Committee, please complete the Google form by scanning the QR Code on this flyer. The google form is located on the first page. The committee will create bylaws, collaborate on grant goals, and approve the Title VI grant application.
