

## Be prepared to act quickly during cardiac emergencies

With today's heightened focus on being prepared, now is the ideal time to make sure you feel **ready**™ to respond to emergencies. Equip your business with an Automated External Defibrillator (AED) from Cintas and feel better prepared to act quickly in the event of sudden cardiac arrest (SCA) — the number one killer in the workplace.

- **Our AEDs are available with a Service Agreement or for purchase**, with industry-leading options including the ReviverR™ VIEW, ZOLL® AED 3® and ZOLL® AED Plus®
- **A dedicated Cintas representative will professionally install** your AEDs, cabinets, and prep and response kits — and can also help you arrange required training
- **Your Service Agreement gives you access to LifeREADY 360™** — an online portal helping you maintain your AED readiness with medical direction, tracking software and EMS registration
- **Routine on-site service** helps you keep your batteries, pads and software up to date

The "AED Program" includes ONLY the sale or service agreement of AEDs and periodic inspection of the AEDs to determine whether the batteries and/or pads for the AED have expired. If expressly and separately purchased by Customer, Cintas may also provide AED and CPR Training, and access to LifeREADY 360™ website. "AED Program" expressly excludes any risk or hazard analysis of any kind or type, including (but not limited to) recommendations regarding the type, number, or placement of AEDs at Customer's facility. Customer is solely responsible for choosing the type and number of AEDs needed and the placement of those AEDs within its facility(ies) and for notifying Cintas of any faults, alarms, or indications that the AED is not functioning properly in between Cintas's periodic service visits.

Other products and services available include:
