

Promote good hygiene habits and a positive restroom experience

Make sure your customers can thoroughly wash their hands without touching surfaces when they visit your restrooms. Our touchless Signature Series® dispensers and scheduled service visits also make it easy to have essential restroom supplies in stock — while non-textured bacteriostatic surfaces make cleaning easier and help minimize germs.

SIGNATURE SERIES® BENEFITS INCLUDE:

- **A choice of touchless or manual dispensers** for hand soap, hand sanitizer, paper products, toilet seat cleaners, air fresheners and more
- **Soft-coat dispenser finishes are easy to clean**, and bacteriostatic surfaces help reduce germs and cross-contamination
- **An array of colors to choose from**, including classic options as well as unique eye-catching choices like Indigo Blue, Deep Red, Stainless Steel, True Blue and more
- **Weekly on-site service** includes supplying refills for your dispensers and making sure they're functioning properly, and replacing batteries as needed

HOW THE SERVICE WORKS:

- No upfront inventory investment
- Every week we monitor, refill and maintain dispensers
- Flexible programs to meet your changing needs
