

## Be prepared to respond with a well-stocked first aid cabinet

No need to go to shop for essential first aid supplies. Our regularly scheduled service keeps you consistently stocked with the supplies you select, and helps you be more prepared for workplace illnesses or injuries.

- **You choose the products for your first aid cabinet** — ranging from hand sanitizer gel and alcohol wipes and spray, to disposable thermometers, bandages, burn care and more.
- **Your supplies will be delivered to you on a regular basis** by a Cintas First Aid professional wearing appropriate PPE when entering your facility.
- **You'll have peace of mind with on-site service visits** that keep your cabinet restocked and maintained — plus you'll be assured that your cabinet meets the ANSI fill standard at the time of service.\*
- **You'll appreciate the convenience of color-coded packaging** — making your supplies easy to identify.

Other products and services available include:

- AED Products and Services
- Safety Training
- WaterBreak®
- Eyewash Service
- Safety Supplies & PPE
