**Mitsubishi Electric Heat Pump**  
**Save \$750\* During March**  
**You May Be Eligible For \$2,000 Tax Credit\*\***

A Mitsubishi heat pump can warm a cold room and cool a hot room. It works smart all year long. Daniels Energy's experts can install units in two room - usually in one day.

**Call us and get the details on how to save \$750!**

Daniels Energy: CT License S1-385517 HOD#19 / Daniels Propane LLC #846 CT License S1-302857

\*\$750 is value of cost of standard split head wall unit. Installation is extra. Minimum size restriction and SEER ratings apply. Not available on previous sales. See Daniels Energy representative for complete details. \*\*Under the Inflation Reduction Act, homeowners are eligible for a tax credit\*\* of 30% of the cost, up to \$2,000, for heat pumps, and/or heat pump water heaters, in accordance with section 25C of the US tax code. Only certain models qualify for the tax credit, and you must have a tax liability from which to reduce your taxes. Consult your tax advisor for advice.
