

What: Putnam County Legislature,
Physical Services Committee Meeting

When: Thursday, August 25 at 5:30pm
Where: The Barn at Tilly Foster Farm,
100 Route 312, Brewster, NY

This special Committee meeting will be held at Tilly Foster Farm rather than the County Office campus in Carmel. See the address above.

Generally, there is plenty of seating available for residents to attend. After an agenda item is discussed by the Committee members, other Legislators are invited to comment. Next, residents are invited to comment. This is an opportunity to briefly indicate that you're opposed to the Veto Resolution and why.

See our website and newsletter, and our linked Sample Letter for specifics.
