Your Defiance Area Chamber has teamed up with chamber member WiltonKeck Recycling in Bryan, a NAID AAA Certified information destruction company to offer document destruction of boxed paper files and hard drives at a

Substantial Discount to Defiance Chamber Members

PAPER FILES \$4 ea.

HARD DRIVES \$5 per HD

for each standard, banker, or legal box

**Staples, paperclips, and binder clips can be left on.*

\$7 per HD with recorded serial #

WiltonKeck accepts cash, check, and major credit cards.

How it works: Your boxed files are emptied into a secure destruction bin and your hard drives are placed directly into the shredder. WiltonKeck's mobile destruction vehicle will empty bin into shredder that will shred files into locked payload area and you will be issued a signed certificate of destruction. All shredding will be baled and recycled into every day consumer products and they will also take your unwanted file boxes for recycling.

In the event of overwhelming, response WiltonKeck may secure boxed files in locked truck to be securely transported back to our facility and we will destroy files by the end of the day.
