Sponsorship Opportunities

JANUARY 20 & 21 | THE LODGE IN DEADWOOD

The 2027 State Convention will be held January 20 & 21, 2027, at The Lodge at Deadwood in Deadwood, South Dakota. Hosted jointly by AGC of South Dakota and the South Dakota Land Improvement Contractors Association (SDLICA), the convention brings together contractors, industry professionals, and business partners from across the state for two days of education, networking, and industry engagement. The Convention Planning Committee is developing a dynamic program designed to inform, inspire, and strengthen connections within the construction industry. We invite you to join us as a sponsor and take advantage of this valuable opportunity to showcase your company, build relationships, and demonstrate your support of the industry.

Sponsorship opportunities are available exclusively to current AGC and SDLICA members, with options ranging from \$300 to \$1,200. A complete listing of available sponsorships can be found in the enclosed contract. Sponsors receive valuable recognition before and during the event, including company name and/or logo placement in convention materials and on-site signage. To ensure inclusion in printed materials, sponsorship commitments must be received by **December 28, 2026**.

This year's convention promises engaging educational sessions, timely industry discussions, and opportunities to connect with both current and prospective customers. Your sponsorship helps make this event possible while increasing your company's visibility among key decision-makers throughout South Dakota's construction industry. We encourage you to review the enclosed contract and secure your sponsorship early. Thank you for your continued support, and we look forward to partnering with you at the 2027 State Convention.
