BACKGROUND

For the past 45 years, Liberty Athletic Club has been the leader for tennis in the Ann Arbor community. Founder, President, and former U of M Men's Head Tennis Coach, Brian Eisner, has assembled a team of coaches, unmatched in experience, character and dedication toward developing young players. As coaches, our staff has developed a wide array of players, from young beginners to high school players, local tournament players to Midwest Champions, and college players to professionals. Our tennis staff has been the primary contributor to many team State Championships at Pioneer High School and Greenhills High School. We have also trained many team and individual State Champions at both Huron and Greenhills High Schools. Additionally, Liberty's programs have helped develop players at other local schools including Saline, Dexter, Chelsea, Ann Arbor Skyline, Gabriel Richard, and other schools in the Detroit Metro area.

We are very proud of the many Liberty players who have gone on to successful college tennis careers. Such players include:
