HOSTED BY:

CONVENED BY:

The Pennsylvania Automated Vehicle Summit is the largest dedicated Automated Vehicle conference in the Northeast region, bringing together both public and private industries.

The conference's subject matter experts and diverse group of attendees come together to discuss and engage with the broad range of issues related to these emerging technologies.

HOSTED BY:

- ITSPA - Intelligent Transportation Society of Pennsylvania
- MASITE - Mid-Atlantic Section of the Institute of Transportation Engineers

CONVENED BY:

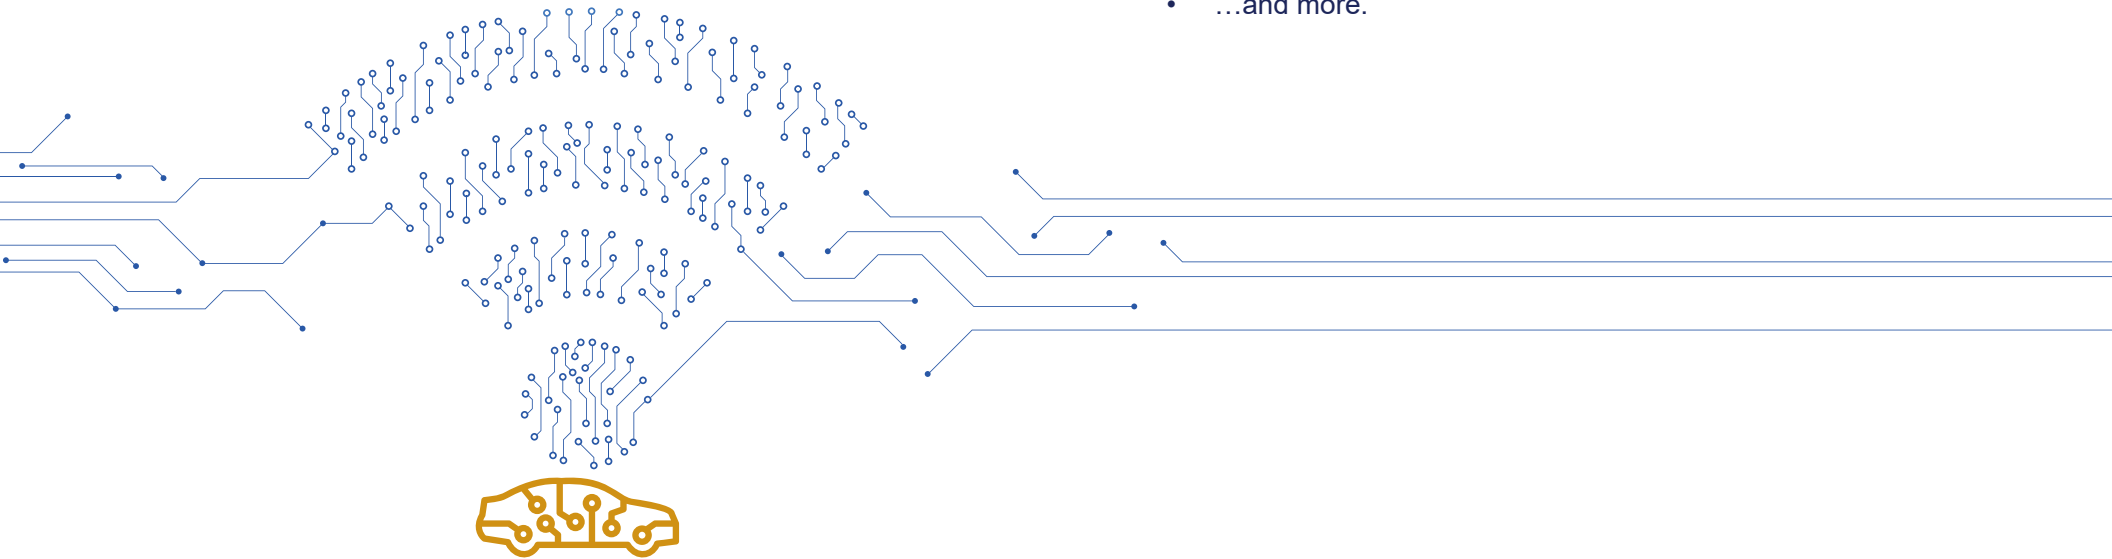

- PennDOT - Pennsylvania Department of Transportation
- PTC - Pennsylvania Turnpike Commission
- DCED - Department of Community and Economic Development

The PA AV Summit aims to foster a wider public understanding and dialogue around the benefits and issues related to AV technologies. Attendees are encouraged to actively engage in the conference sessions and discussions, sharing their diverse views and perspectives with the other industry stakeholders.

Speakers and attendees come from a wide range of industries:

- AV Testers/Developers
- Automotive Manufacturers/Vendors
- Government Officials (federal, state, regional, and local)
- Academics/Educators
- Researchers
- Engineers/Scientists
- Planners
- Economic Developers
- Lawyers
- Insurance Representatives
- Business Consultants
- Non-Profits
- Industry Associations
- Workforce Associations
- ...and more.

In the wake of the cancellation of the 2020 Pennsylvania Automated Vehicle Summit, the organizers of the Pennsylvania Automated Vehicle Summit created the 2021 PAAV Summit Series, an exciting line-up of topic-specific events and discussions throughout the year, leading up to the convening of the fourth PAAV Summit being held this October. **3**

The Summit Series, sponsored by the Society of Automotive Engineers, features vehicle automation experts presenting webinars, Oxford-style debates, fireside chats, and panels providing a diverse range of perspectives on the critical issues and opportunities that AVs offer Pennsylvania and the nation. An incredible lineup of engaging and authoritative speakers and topics have been planned throughout the year leading up to the 2021 Summit conference. The topics and dates for the Summit Series events are featured below.

Program Diversity

The PA AV Summit has historically consisted of a richly varied line-up of 100+ speakers, panelists, and presenters who provide an exceptional range of backgrounds, experience, and perspectives.

In the Summit Series and 2019 agenda, over 50% of participants were minorities and women, keeping with the rapidly growing diversity of the transportation professions in Pennsylvania and the nation.

Past Speakers

12

Speakers from the following entities have shared their expertise during previous Summit's plenary and breakout sessions

Professional Development Hours

Earn up to NINE CREDIT HOURS at the PA AV Summit.

The PA AV Summit will provide professional development hours (PDH's) for all attendees and continuing education credits for engineers, planners, and lawyers who attend the breakout sessions.

One 60-minute session = 1.0 PDH Credit Hour

Unique Networking Opportunities

Through the Remo platform, attendees have the ability to network during the event from their desk. At the simple click of a mouse, attendees have the freedom to roam from table to table and join spontaneous conversations that build long-lasting relationships.

Agenda

	Day 1: Tuesday, Oct. 26			Day 2: Wednesday, Oct. 27			Day 3: Thursday, Oct. 28		
	Plenary	Room 1	Room 2	Plenary	Room 1	Room 2	Plenary	Room 1	Room 2
1:00 PM to 2:00 PM EST	Automation / Technology			Workforce / People			Freight / Goods
