

## Principal's Report

Dear parents/caregivers

Welcome to all of our new students and their families to Marryatville High School. You have joined an outstanding school community with a reputation for the pursuit of excellence, a focus on wellbeing and a belief in lifelong learning.

We challenge our students to strive towards developing the following:

- look after their health and wellbeing
- develop relationships that will influence their journey
- develop the ability to communicate their thinking and feelings
- have empathy for others
- seek self-improvement
- be true to their values
- be brave and trust their 'gut'

One of the strengths of Marryatville High School is the sheer diversity of experiences on offer. There is a plethora of sports, musical opportunities, excursions and events that students can participate in. I encourage everyone to embrace the culture of the school and commit to participating in the many opportunities available.
