
The Buzz From The BeeHive

Busy Bee Bulletin

Step Up day is coming! This month the entire class will be visiting the Pre-school classrooms and meet the teachers. It is a big transition and this day helps to have the conversations for Fall Classroom placements. Please feel free to reach out to the Beehive teachers or Jane about questions regarding placement or scheduling.

Our playground is very sunny, we hope! Please, please apply sunscreen in the AM and leave a bottle for us to reapply when needed. Don't forget hats and Bug Spray as well. There will be a spot on the clipboard where you can mark if you have applied sunscreen

Grandparent's day invitations will go home soon. Children can invite a grandparent or special friend to visit with us for the morning.

Curriculum Highlights

Color of the Month: **Brown** encourage your child to point out brown colored objects; they may even bring them to school to share. Ask your child the sign for brown and how to say it in Spanish.
