

# The Buzz From The Bee Hive

## Busy Bee Bulletin

Spring is almost here! We have a muddy playground so boots are needed. Don't forget hats, mittens and layers; it can be chilly in the am. Please check extra clothes boxes for restocking and updating sizes, we have grown.

Thank you for returning your Observations, your thoughtful comments are helpful to us. And thank you for attending conferences. If you have not yet returned your observations please do as soon as possible. Thank you.

## Curriculum Highlights

Color of the Month: **purple** Encourage your child to point out purple objects; they may even bring them to school to share. Ask your child the sign for purple.

Mixing colors (primary/secondary)
