

CLASSROOM NEWS

Hooray – we are beginning to notice the first signs of Spring! It's truly on its way...the days are longer, the weather is warmer, and everyone's excited to revisit the outside world. We will begin to take walks into Nickerson State Park and play soccer on the back field. Please continue to send weather appropriate clothing for your children as well as shoes they can run and play outside in. Also remember to check your child's extra clothes box regularly – they are growing quickly and may no longer fit in the same outfits. As always feel free to bring any questions or concerns to your child's teachers.

CURRICULUM HIGHLIGHTS

- Vehicles
- Land sea and air
- Wind and weather
- Plants and flowers
