

CLASSROOM NEWS

The spring finally seems to be upon us. We have taken advantage of the weather to begin to explore the school campus more, as we get ready for the busy summer months! The children love to run and walk, and are very interested in bigger spaces – like the state park. Now that the weather is warmer our playground gets very hot and is in full sunshine all day. Please note the space for sunscreen on our sign-in sheets, and take a few moments to apply sunscreen before coming to school. If your child is here all afternoon, you may put an extra tube in his/her wall pocket and we will re-apply it after rest. Also be sure that your child has a sun hat shorts and a short sleeved shirt. The weather can become very hot very quickly here on Cape Cod!

- Walks in the Park
- Our growing bean seeds
- Our Growing Bodies!
- Colors and Numbers
- The Monkeys and the Alligators (Snap!)

CURRICULUM HIGHLIGHTS

Plants and Flowers
Weather

Over In The Meadow
Take Me Out to the Ball Game
Teddy bear, Teddy Bear
The Ants Go Marching

GAMES TO PRACTICE

Pumping on the Swings
Counting and Numbering
First Letters of Names
Naming Colors and Shapes

PARENT NEWS

Thank you for getting your registration in for next year. Also note that Grandparents day is on May 25. This is a time for a Grandparent or special friend to come and spend a little time with your child. If a grandparent is not available a family friend or a neighbor is a great idea. School is closed Monday May 28 for memorial day.
