RBC Planned Giving Opportunities

The RBC Finance Committee has developed an informational brochure highlighting planned giving opportunities for church members. These opportunities allow members to financially support our church while also maximizing donor benefits. Planned giving helps secure our church’s future by reducing risk, increasing congregational commitment and generosity, and celebrating an individual or family’s contributions to the church. As a donor, planned giving offers tax advantages and a path to creating a philanthropic legacy, even without having to give a large one-time gift. These brochures can be found in the foyer kiosk, the church office, or at riverchasebaptist.org/planned-giving-options.html.
