

# Poconos Retreat

Custom cabinets by Alliance Custom Cabinetry feature Shaker-style flat panel maple doors and drawers in a stained finish. All the doors have hidden soft-close hinges and the deep drawers have full extension slides.

The beauty of the cabinetry hides its functionality, with a cutlery tray, a spice pull-out cabinet, a double trash can pull-out and a docking drawer to keep everything organized.

A stainless steel under-mount double-bowl sink with a Moen Brantford faucet and a stainless steel appliance package complete this gorgeous kitchen!
