

# Register Now - Biomass Workshop Series: Session 3 Field Day Registration is FREE!

## What's Covered in this Field Day:

Don't miss this opportunity to see forestry management in practice! Join us at **Columbia College** and learn about:

- The basics of forest and biomass management in practice
- Machinery in forest operations and how to safely operate them
- The uniquely structured forestry program at Columbia College and how it helps local workforce development

\* This is paired with a lecture session held on September 17th. It is strongly encouraged to attend the lecture to prepare for the field trip.
