

Join Our Biomass Facility Tour in Tuolumne

Registration is FREE!

About this Field Day:

We will visit the **newly developed Heartwood Biomass facility** in Jamestown. Heartwood Biomass specializes in utilizing woody biomass such as small-diameter trees and forest management residuals to make wood products. By making value-added products using otherwise non-merchantable materials, Heartwood Biomass aims to support forest health and local workforce development. Join us to learn more about the facility and its progress!

Date

June 4th, 2025

Time

Starting at 10:30 AM

Hosted by:

- *University of California
Cooperative Extension*
- *Tuolumne County Resources
Conservation District*

Location: Jamestown, CA

About this Workshop:

This field day is paired with our first lecture, Biomass 101, that took place on May 2nd, 2025. If you missed the lecture, it is strongly recommended that you review the presentations. You can obtain the slides by emailing the contacting matthew@TCRCD.org or cxnchen@ucanr.edu.

Stay Tuned! More workshops are coming this Summer and Fall

SIGN UP NOW
