

**Friends of Wellesley METCO, Inc.**

Friends of Wellesley METCO, Inc. (FWMI) is a charitable, all volunteer organization that for over 50 years has supported the students in the Wellesley METCO Program by enhancing the educational experiences of every student in every grade. The FWMI Board of 20 individuals is comprised of Boston and Wellesley Parents, WPS educators, and dedicated community members who are committed to helping Wellesley's METCO students make the most of the educational opportunities provided by the program. More broadly, FWMI seeks to promote greater understanding between Boston and Wellesley families and the communities in which we live.

We are looking for a Treasurer to join our board, who would make a lasting impact on the lives of Boston and Wellesley students. We seek a person with a strong commitment to promote and support diversity, equity and inclusion in the Wellesley public schools. Role and responsibilities of this volunteer position include maintaining financial records in QuickBooks, issuing checks, generating financial statements for review and discussion with board members at our monthly meetings, and partnering with our accounting firm to meet tax filing deadline. We are a 501(c)3.

For more details please contact Susan Westmoreland. We look forward to meeting you and welcoming you to our great team! [FriendsofWellesleyMETCO@gmail.com](mailto:FriendsofWellesleyMETCO@gmail.com)
