

Greetings Salmon Bay Winter Enrichment Program Participants,

We here at The Summit are again thrilled to continue our ongoing relationship with the Salmon Bay group. The purchasing of your take home rentals and season passes will be done online through a group login. The following pages of this document give step by step instructions for your purchase. When you log in to the Salmon Bay group you will be given your purchase options including your discounted season pass. We will not be selling season passes or take home rentals in person! You can purchase from your computer/phone anywhere!

With everyone purchasing their products prior to the fitting night, we will be able to avoid filling out multiple forms and waiting in long lines. Of course there will still be some waiting for your fitting but this will significantly help the process.

Please, we urge you to help us and your fellow Salmon Bay families by going online and making your purchase as soon as you can. When you show up on Nov. 14th you will only have to supply your name and fill out your gear fitting information instead of filling out applications for rentals and passes and making payments and taking pictures. I KNOW...it's wonderful!

Take Home Rentals – you will need to be present to be fitted. The ski package rental includes skis, boots and poles if desired. The snowboard package includes snowboard, boots and bindings.

Season Pass Options – Each option comes with a choice for the Snow Guarantee *OR* no Snow Guarantee. The guarantee states that for every day fewer than 100 The Summit is not open for operations the passholder will receive that number percentage discount on their following years pass. For example; if we are open 90 days this year you would receive a 10% discount on next year's pass.

Unlimited Pass – This pass is valid at any base area at any time.

L-T-D Pass – This pass is valid at any base area at any time except Alpental on the weekends.

X-Pass – This pass is valid at any base area Monday – Friday only and has blackout dates of Dec. 22 – Jan 1st and Presidents day and MLK day.

Take home rental gear insurance is available In the purchase process you will be given the option to purchase Take Home Rental Insurance which covers you fully if anything happens to your gear other than theft. This option is \$10. Choose this optional add on prior to adding your product to your cart.
