## 2019—2020 Winter Enrichment Programs

### **BEGINNING FLAMEWORKING**

Learn the fundamentals of flameworking in the glass studio at Pratt Fine Arts Center - melting and manipulating glass over a bench-top torch - and explore the artistic possibilities of this warm glass technique used for creating everything from beads to vessels to sculptures. You'll learn the basics of tools, safety, equipment and techniques so you can take advantage of this versatile and popular art form. The emphasis of this class is on borosilicate glass. Maximum group size is 10. **Program cost: \$210.**

### **COOKING**

Take a good look at how different regions of the US have their own classic dishes that put them on the food map. Tex Mex, Maryland crab cakes, North Carolina pecan pie, New England chowders, New Orleans Po'boys, Florida key lime pie, Louisiana Jambalaya - you've only begun. This is your chance to work with a professional chef to get the truth about why you can't beat regional home cookin'. Maximum group size 12. **Program cost \$210.**

### **"GREATEST HITS" TOUR of SEATTLE**

This year, we are bringing back favorite student activities from the past four years. From touring the Ballard Locks aboard an Argosy cruise to exploring the underground in downtown Seattle, students are sure to have a fun time! Among our activities will be a workshop at the Living Computer Museum, a visit to Pike Place Market, a tour of Theo's Chocolates, and a chance to solve clues, find the key and escape from the world famous Puzzle Break escape room in Capitol Hill. Maximum group size 26. **Program cost: \$210.**

### **INDOOR RECREATION**

Students in this program will sample indoor recreation activities: curling, rock climbing, skateboarding and acrobatic circus arts. Students will rock climb at Stone Gardens, learn curling at the Granite Curling Club, try skateboarding at Seattle's only indoor skate park and take two classes at the School of Acrobatics & New Circus Arts (SANCA). Maximum group size 32. **Program cost: \$210**

### **JEWELRY MAKING**

Create a line of jewelry in a variety of materials while working with a professional jeweler. Saw, file, and stamp metal to create shapes and textures in brass or copper. Add color with leather, resin, beads and patinas in your designs. Your personal style will emerge with earrings, pendants, chains, bracelets and other wearable objects. Maximum group size 8. **Program cost: \$ 210.**

### **POTTERY**

Have you ever wanted to try throwing on the potter's wheel? In this class you'll get to give it a try! You'll learn how to throw on the wheel and make a few small pieces. You will pick up a few of your favorite pieces each week to keep and then your teacher will lead you in glazing them. You'll learn about the steps involved to make and fire clay as well as get an inside peek at real-life ceramic artist's work and process. Maximum group size 20. **Program cost \$210.**

### **SEWING: PLUSH TOYS and PILLOWS**

In this class, you'll be the designer who comes up with irresistible plush toys: animals, creatures, characters and pillows as imaginative as you want to make them. Using hand sewing skills and sewing machines, you'll figure out how to create 3D objects. Plenty of Fabrics, trims, and add-ons will be provided to bring your favorite plush pals to life. Maximum group size 8. **Program Cost \$210.**

### **SKI AND SNOWBOARD**

Get your skis and boards ready! This program is designed for a broad spectrum of skiers and snowboarders from those who have never been on a mountain to the advanced. The program fee covers transportation to and from Snoqualmie Pass and lessons. Equipment rentals (approximately \$160—\$250) and ski passes ( \$279—\$339) are purchased separately by participants. When students are not in lessons they will have free ski/board time to practice what they've learned. Students return to school about 7:15 p.m. and need their own transportation home. Maximum group size 208. **Program cost: \$295.**

### **WELDING**

Welding & metalworking is complex! To begin to master both you'll learn to use lots of tools before you start welding: serious tools like a chop saw, plasma cutter, and disk sander, plus several more. Once you have these tools down, you'll move on to the MIG welder and then be able to tackle your own metal designs. Maximum group size 8. **Program cost: \$ 210.**

### **WILDERNESS EXPLORATION**

Students in this program will explore the wilderness areas around Seattle while participating in a variety of fun winter activities. We'll pair our days with a physical activity (snowshoeing, hiking, sledding) and an outdoor skill focus (orienteeing, plant identification, shelter building). We'll end with a celebration at Snoqualmie Pass which includes baking cake/brownies on back country stoves! Maximum group size 20. **Program cost: \$295.**

# Winter Enrichment Program (WEP)

## Frequently Asked Questions

### **Why WEP?**

The Winter Enrichment Program (WEP) supports Salmon Bay's whole child philosophy and exemplifies our shared values. WEP provides field-based learning experiences, introduces new skills and activities, and offers real world opportunities to practice character traits such as grit, curiosity, gratitude, self-control, creativity and zest.

### **What options are available?**

This year, we have ten program options with opportunities ranging from cooking and pottery to snow sports and indoor recreation. A description of each program is included on the backside of this sheet.

### **Am I guaranteed my first choice?**

No. All students who turn in forms by November 19th will receive priority consideration. If there are more applications turned in for a program than spaces available by November 19th, we randomly select from those applications to fill the program. Once a program is full, students will be assigned to their second or third choice.

### **How should I choose the program that is best for me?**

We encourage you to try something new. Look through the program options and find something that sparks your curiosity or broadens your horizons.

### **What if I can't afford the program I want?**

The Salmon Bay community and our business partners generously support scholarships for students. If you need financial assistance, please pay what you are able and check the scholarship box on your registration form to request assistance with the remaining balance. Your request will be reviewed using our need based protocol.

### **What equipment is required ?**

With the exception of the ski and snowboard program, all program fees include any equipment you will need. Skiers and snowboarders need lift tickets or a season pass, skis/snowboards and appropriate clothing plus helmets. Wrist guards are required for snowboarders.

### **What if I don't have the equipment I need to do the ski/snowboard program?**

Both Seattle Ski & Snowboard and Summit Central are partnering with us this year to provide rentals to students and families. Students can be fitted and take the equipment home to keep for the duration of ski season (equipment is due back April 15, 2020). See the attached WEP Equipment Rental Update for additional information and pricing.

### **Who supervises WEP activities?**

Salmon Bay teachers and staff supervise each activity with the help of parent chaperones. To volunteer as a chaperone , please email Jodi Russell, Volunteer Coordinator ([jrrussell@seattleschools.org](mailto:jrrussell@seattleschools.org)).

### **What if school is cancelled or has a late start?**

If school is cancelled or has a late start, we postpone WEP programs for the day and use one of the designated make up days.

### **What if I have to pick up my student early on a WEP Friday?**

If you need to pick your student up early, please send a note to school and email the Salmon Bay office and lead staff member overseeing your student's activity to make arrangements in advance.

### **Are there refunds if a student misses a day of WEP?**

Due to vendor contracts and community partner agreements, we are not able to offer refunds for days missed.

## **WEP Ski/Snowboard Equipment Rental Update & Information**

WEP Ski/Snowboard Rental Night has been a long running tradition at Salmon Bay but this year due to various factors, Snoqualmie Pass will NOT be hosting a rental night at Salmon Bay. To support families in obtaining gear we've reached out to many ski/board shops to find Salmon Bay families good gear at a good price. As always, families may choose the company of their choice when renting gear. However, Salmon Bay has partnered with both Snoqualmie Pass and Seattle Ski and Snowboard this year. This partnership includes a discounted price for rentals as well as scholarship rentals for our families in need. If possible, please support these businesses as they are working to support our Ski/Board program.

### **Equipment Rental Partnerships for 2019-2010**

#### **Seattle Ski and Snowboard**
