<https://www.youtube.com/watch?v=9ZrLEI2u2jY>

At Min 3:10 - <https://www.youtube.com/watch?v=2RbTRY0QK28>

High and blue the sky; Tress are very tall; Wild geese flying seem so small.  
See, on silent wings in flocks they go,. Never parting from the single row.  
We go through the land, like the wild geese band. Brothers in the flight are we.

Clear and dark the night; Stars are very bright.; Lanterns shining seems so small.  
See, in single file we walk along. Singing joyfully our lantern song.  
We go through the land, like the wild geese band. Brothers of one light are we.

Not the best , but only option...

[https://www.youtube.com/watch?v=SLzcOvyN\\_6Q](https://www.youtube.com/watch?v=SLzcOvyN_6Q)

With a lantern in the hand, joyfully go through the land.  
One to the right, one to the left; we must show to all the light!  
Throughout the land! As one band! Light in hand!

With a lantern in the hand, joyfully go through the land.  
One to the right; one to the left; we must show to all the light!  
Up through the land! Up through the land! Light in hand!

### **Wind, Wind Blowing**

<http://winterberrycharterschool.com/calendar/special-events-lantern-walk/wind-wind-blowing/>

Wind, wind, blowing, the moon, it is not showing.  
The moon has gone away so far to catch a little shooting star.  
Wind wind blowing, the moon it is not showing.

Stars, stars, glimmer, the moon is just a shimmer.  
She has a sickle in her hand, to cut the grass in heaven's land.  
Stars, stars, glimmer, the moon is just a shimmer.

Moon, brighter growing, your lovely rays now throwing.  
They are of finest silver sand; you sow it over sea and land.  
Moon, brighter growing, your lovely rays now throwing.

Moon, shine brighter, our lanterns are still lighter.  
They light our pathway through the night, with lovely warm and glowing light.  
Moon, shine brighter, our lanterns are still lighter.

### **Walking with my Lantern**

This is a German song that has been translated and there are many versions. This is the German song that I hope you can sing with the English words.

<https://www.youtube.com/watch?v=VCL78fdsl6Y>

I'm walking with my lantern, my lantern walks with me  
Above the stars are shining, and here shines my lantern with me  
The lights go out, we're going home  
La bimba La bamba la boo, yoo hoo!  
The lights go out, we're going home  
La bimba La bamba la boo!

**Vine and Fig Tree**

<https://www.youtube.com/watch?v=2LFnYR71A7Q>

And everyone beneath the vine and fig tree,  
Shall live in peace and unafraid.

And everyone beneath the vine and fig tree,  
Shall live in peace and unafraid.

And into plowshares turn their swords,  
Nations shall learn war no more.

And into plowshares turn their swords,  
Nations shall learn war no more.

**I See the Moon**

Salmon Bay only sings the first verse and chorus

Instrumental only: <https://www.youtube.com/watch?v=peoYT1pmmZg>

With vocals: <https://www.youtube.com/watch?v=eYXnfbqNQGs>

**CHORUS:**

Over the mountain, over the sea,  
Back where my heart is longing to be,  
Please let the light that shines on me  
Shine on the one I love.

I see the moon; the moon sees me  
Down through the leaves of the old oak tree.  
Please let the light that shines on me  
Shine on the one I love.
