

Lincoln High School

Home of the Lynx!

Learn with passion. Act with courage. Improve the world.

Lincoln High School initially opened in the fall of 1907 with 900 students. Over time, Lincoln grew, with multiple additions, before finally becoming a 4-year high school in 1971. In 1981, Lincoln was closed and since then the building was used for a variety of purposes including as an interim location for different Seattle schools during their renovations.

In February, 2013 Seattle voters approved a Building Excellence initiative which set in motion the modernization of the existing brick building allowing Lincoln High School to reopen in 2019! This fall Lincoln will expand to all grades, 9-12 with a supportive and involved staff, PTSA, community and an active alumni group who are all excited to continue the Lincoln Lynx traditions as well as begin new ones.

January 2021

Student Assignment Fall 2021

Open Enrollment for School Choice for the 2021-22 school year is February 1 - 19, 2021 for students currently enrolled in Seattle Public Schools. School Choice forms are available on the SPS website www.seattleschools.org/admissions/registration. Open Enrollment is the annual period where students may first apply to attend a different school or program next year. The school choice period continues until May 31, but on-time applications are those received during Open Enrollment (Feb. 1-19) and will be processed with applicable tiebreakers. Choice applications are accepted through May 31 but are not eligible for priority tiebreakers. Open Enrollment results are typically available online in April.

Choice forms received after February 19, 2021 will not be eligible for tiebreaker consideration but will be placed in the order received and by lottery number.

Key Enrollment Dates:

- Online Enrollment for **new students** for 2021-22 school year begins: January 4, 2021
- Open Enrollment for School Choice: February 1 - 19, 2021
- Open Enrollment results available online in April
- School Choice Window Closes: May 31, 2021

Who needs to complete a School Choice form during Open Enrollment?:

- All current SPS students residing in the Lincoln attendance area will automatically be assigned to Lincoln. You **DO NOT** need to complete a choice form **UNLESS** you are hoping to attend another area high school other than Lincoln.
- Current HC eligible 8th grade students who live in the Ballard, Ingraham, Lincoln, Nathan Hale, and Roosevelt attendance areas will automatically be assigned to Lincoln for HC. You **DO NOT** need to complete a choice form **UNLESS** you would like to attend your attendance area school.
- Dual Language Immersion students living outside the Lincoln attendance area boundary desiring to continue to Lincoln, **MUST FILE A CHOICE FORM** during Open Enrollment. Mark the application "Dual Language Immersion".
- Current HC eligible or Dual-Language Immersion 9-11 grade students will have to actively choose to move to Lincoln during Open Enrollment by completing a choice form.

Lincoln House System

At Lincoln the social/emotional welfare of our students is important to us as part of the learning environment. Students at Lincoln HS are placed into individual mentorship (advisory) classes when they arrive as new students. Each mentorship is assigned to one of four different houses, which will ensure that incoming freshmen and new transfer students have a group they can be immediately connected with. This will also create a system wherein older students will feel connected to and responsible for younger students, as spirit competitions and assemblies are structured around house vs house competition rather than class vs class. Students will stay with their house for all four years of high school. Mentorship classes occur twice per week where students build community, receive lessons on social-emotional learning, get support with college/career planning, and receive academic supports.

The diagram illustrates the Lincoln House System with four houses, each represented by a geometric shape and surrounded by Latin words:

- Circulus** (Circle): *creo*, *viribus*, *animus*, *cognitio*
- Triangulum** (Triangle): *cognitio*, *viribus*, *constantio*
- Quadrum** (Square): *viribus*, *cognitio*, *flagranti*
- Ovalis** (Oval): *cognitio*, *animus*, *liberals*

Lynx Crew

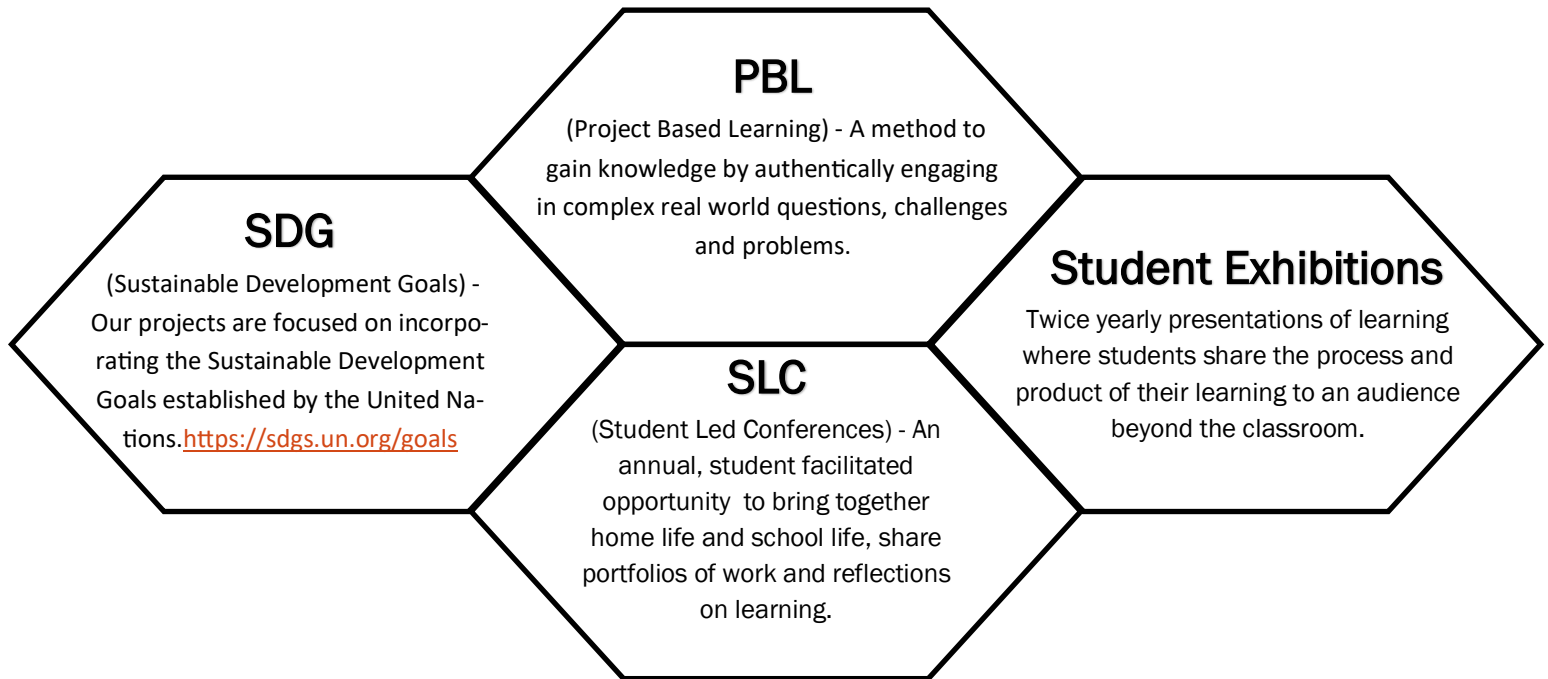

Lynx Crew is a high school transition program built on the belief that students can help students succeed in high school by training upper classmen to be Lynx Leaders. Lynx Crew is our peer orientation program for 9th graders.

We know that transitioning to high school life is exciting, stressful, and maybe even scary—all at the same time! Our Lynx Crew is here to support you on your way starting with Orientation at the start of school and providing team-building, information, support and guidance throughout the school year.

Core Academic Building Blocks

How DO we “learn with passion, act with courage and improve the world”? At Lincoln we prioritize student voice and choice and deeper, applied learning. As a result, all students are involved in:

Laptops @ Lincoln

Seattle Public School offers all Lincoln students the option of checking out a district-issued laptop during the school year. The laptop can be used at school and home. District-issued laptops include free repairs, tech support from district staff, and the guarantee of compatibility with all school-required software and tools. Students are encouraged to borrow a district-issued laptop for ease of connecting with school resources and networks, even if they have access to a personal computer*. Checking out a district-issued laptop does not mean that a student cannot bring their own device if they choose; it can be a useful backup in case of technology incompatibility, breakage of the student's personal device, and other challenges. District tech support staff are not allowed to assist with students' personal devices for liability reasons.

If a student chooses to use their personal device at school, the current minimum computer specifications to ensure the ability to run the basic software most end users operate is:

- Processor - dual core @ 2.4 GHz (i5 or i7 Intel processor or equivalent AMD)
- RAM - 8 GB
- Hard Drive - 320 GB 5400 RPM hard drive
- Camera (built-in or attached).

Wireless (for laptops) - 802.11g/n (WPA2 support required)

Low-income families may qualify for \$10/month home internet, and discounted smartphone packages. Find out more at <http://www.seattle.gov/tech/services> or ask your child's counselor or the school librarian for details.

*Chromebooks are not compatible with some software required for art and technology programs. Mac/Apple devices may have difficulty connecting to the school wireless network.

*There are many computers at retailers like Costco and Best Buy in the \$500 range that will suffice.

Academic & Social Emotional Support

Academic Support Center & BASH (Before & After School Help) Lincoln offers academic support to students in a variety of ways from the Academic Support Center open during school hours to BASH. During BASH students can drop-in to complete homework, join study groups, collaborate with classmates, get help from tutors and staff, or meet with Lincoln's Academic Dean, Ms. Pentecost.

Teen Health Center The Teen Health Center is located at Lincoln High School and is operated by [Neighborcare Health](#), a community health center

with funding support from the City of Seattle's Families and Education Levy.

The Teen Health Center is staffed full time by a Physician Assistant, Mental Health Therapists, and a Health Educator, providing all the services (and more) that your family doctor provides in a teen-friendly setting.

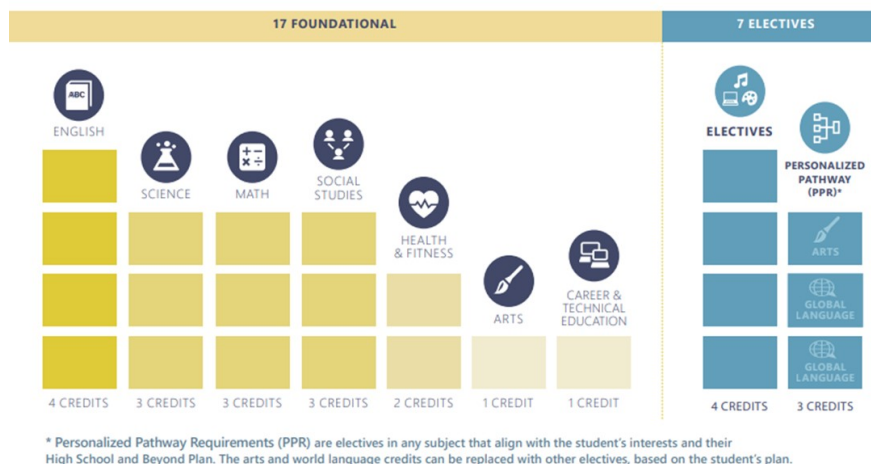

Course Registration

Registration for courses at Lincoln for current Seattle Public School students will be done online through The Source. Lincoln will receive student assignment information on Friday, April 9. We will send course registration information to our newly assigned Lynx student's over spring break via email and US mail. Online course registration will open for SPS students assigned to Lincoln in April.

Course registration information with step-by-step instructions will be posted on our website at that time.

Students coming from private schools outside of Seattle Public Schools will complete a paper registration.

Visit the OSPI website for more information about graduation requirements: https://www.sbe.wa.gov/sites/default/files/public/documents/GradRequirements/joes_WSBE-Infographic-r601-LOGO-FNL_UPDATE_ada.pdf

2021-2022 Projected Course Offerings*

*These are the projected course offerings for 2021-2022 but may be subject to change due to student interest and staff availability. Classes that do not fill may not be offered.
+CIHS (College in the High School) are courses eligible for college credit along with AP courses.

For the most up-to-date course information please refer to the 2021-2022 full course catalog which will be posted soon with course descriptions and future course offerings on the Lincoln website: <https://lincolnh.sattleschools.org>. The website will be adjusted as changes are made throughout the spring.

ASB Clubs

Performing Arts

Lincoln High School has a comprehensive performing arts program, offering band, orchestra, choir and drama. Within the band and orchestra program, students are placed in ensembles based on their ability level to ensure success and growth. LHS maintains an active performance schedule and strives to be a presence in our community. Drama classes are offered during the school day with additional opportunities outside school hours. Students wishing to participate in music classes outside band, orchestra, and choir can choose between guitar ensemble or piano lab which do not require any prior music experience.

There are currently 34 approved clubs, student organizations, and student affinity groups at Lincoln. These are student-driven and are focused on ensuring that students can explore their interests and passions outside of the classroom as well as find support with other students with common identities and interests. All clubs and organizations are open to all students.

- Anime Club
- Art Club
- Asian Student Union (ASU)
- Boulderling Club
- Black Student Union (BSU)
- Calligraphy Club
- Chainlynx Robotics
- Chess Club

Athletics

Lincoln High School encourages all students to explore and participate in our athletic program. Lincoln embraces the student-athlete approach and works closely with our coaches and students in support of their success both on and off the field. Lincoln will offer the following athletic teams throughout the year:

- **Fall:** Cross Country (co-ed), Football, Golf (co-ed), Swim/Dive (girls), Volleyball (girls), Soccer (girls)
- **Winter:** Basketball (boys and girls), Gymnastics (girls), Swim/Dive (boys), Wrestling (co-ed), Bowling (girls)
- **Spring:** Baseball, Soccer (boys), Softball (girls), Tennis (co-ed), Track (co-ed)

*Cheer (co-ed) will be offered as a year-long club. Additional club sports may also be available-please check our website.

To participate, student athletes must have an updated physical form on file in FamilyID, purchase an ASB card and meet/maintain eligibility requirements of the Seattle Public Schools and of the WIAA. **Lincoln athletic registration for 2021-2022 only offered online!** Athletes and families complete all paperwork, upload physical, and pay ASB through our online portal, Family ID.

Online registration will open in April. To be eligible for summer training opportunities students interested in any of our offerings should complete and submit all registration paperwork by Friday, June 4.
