

## Item 12.B.7

### Section 17-5094, Implementation of September 2019 Changes

## Appendix V – Drainage

### 17-5094. – Implementation of September 2019 changes.

*Commentary: We recommend repealing this entire section, since the 2019 changes have been in effect for more than two years and the transitional application of such changes are no longer warranted.*

- ~~1. — Because of major changes instituted by the Ascension Parish Council in their meeting of September 5, 2019, the application of these changes shall be implemented per below.~~
- ~~2. — After adoption of ordinance there shall be a 60-day period for applicants under the individual lots (section 17-507.B) to apply for permits under the previous ordinance. This will require evidence that the applicant has commissioned or completed design or other similar work prior to adoption of the ordinance.~~
- ~~3. — All developments which obtained preliminary plat approval and all developments with an accepted preliminary plat submittal in accordance with section 17-405 of Appendix IV— Subdivision Regulations at the time this ordinance was adopted will be under the previous ordinance.~~
- ~~4. — After adoption the administration shall draft permitting requirements to facilitate implementation of these revisions. Administration shall also submit, for council approval, the permit fees required for implementation of this ordinance.~~
