Please take our survey to help make our city a better place to live, work, and play: brla.gov/futurebr/survey. The results of this survey will be used to help us craft the 5-Year Update to FUTUREBR. Please read each question and answer it as accurately as possible. This questionnaire will take 5 to 10 minutes to complete.

Another round of meetings will take place in August and September to review comments and changes.

For more information on the FUTUREBR Update, visit brla.gov/futurebr-5-year-update or contact Jeffery Leuenberger, AICP, Long Range Planning Manager, at (225) 389-3144 or jleuenberger@brla.gov.
