

## PACK EXPO INTERNATIONAL 2016

November 6-9, 2016

McCormick Place, Chicago

**PackExpo 2016 will be better than ever. Be an “early bird” and obtain your FREE PASS courtesy of Thermo Fisher Scientific today! Just follow the simple instructions below.**

Join us at the Thermo Scientific™ booth #S-2130 to see their latest checkweighing, metal detection and X-ray inspection solutions in action and speak to their applications experts. You can also explore the benefits of leasing equipment from Thermo Fisher or selecting a new service plan.

### Free pass instructions

1. Go to <http://www.packexpointernational.com>
2. Click on the “Attend” tab
3. Then go to “Register now”
4. Follow the remaining attendee instructions
5. Enter comp code **24X92** at checkout
