Eyes of the Wild: Hawks and Owls

Animals seen during presentation may differ from those shown on poster.

Peer into the raptor world through an up close experience with live hawks and owls that call New Hampshire home. Join a Squam Lakes Natural Science Center naturalist to see the fascinating similarities and difference between hawks and owls and discover how they are perfectly suited to the habitat niche they each fill.

THURSDAY, AUGUST 2 @ 7:00 P.M.
ADMISSION FREE – DONATIONS APPRECIATED
