The bulk truck will not return to pick up piles that are put out after your block has been picked up. No construction materials, concrete, rocks and soil, paint or other Hazardous materials will be taken.

Bulk waste must be put out 24 hours before you scheduled pickup date. Improper placement (more than 24 hours before your scheduled pickup date) is a violation of Miami-Dade Code, Section 19-4 (c), and will result in the assessment of fines to the homeowner.
