

Traffic Advisory: Miami-Dade County, Department of Transportation and Public Works (DTPW), and the Parks, Recreation, and Open Spaces Department (PROS) to perform roadway pavement marking services along Hobie Island (Rickenbacker Causeway)

The Miami-Dade County DTPW and PROS Department, will be performing roadway pavement marking services along Hobie Island on the below listed dates.

Work Schedule 8:00 p.m. – 5:00 a.m.				
Wednesday	June	29	2020	Hobie Island eastbound travel
Thursday	June	30	2020	Hobie Island eastbound travel
Friday	July	1	2020	Hobie Island eastbound travel

Work will take place between the hours of 8:00 p.m. and 5:00 a.m. (nighttime work). During the pavement marking activities, the right side, eastbound vehicle travel lanes (inbound toward the Village), will be closed from the West Bridge (toll plaza) to the William Powell Bridge. However, one vehicular travel lane, and cycling lane will remain open at all times. Motorists may experience traffic delays and should factor in additional travel time.

Eastbound: Traveling into Key Biscayne
Westbound: Traveling off the key to mainland Miami
North side: Rusty Pelican / Miami Marine Stadium side
South side: Miami Seaquarium / Crandon Marina side
