NEXT STEPS: the Transition Series

Workshop 5

**“Getting Ready for
Work While in School”**

6:00pm-7:15pm / Room 727

Participants learn how to plan for work while in school by understanding and identifying programming options that will lead students with disabilities to find satisfying work in the community.

This presentation includes topics such as Predictors for Post High School Success and Community-Based Vocational Education opportunities.

Participants will also learn how reasonable accommodations, job coaches and supports in the workplace can assist a student in learning, enjoying and keeping a job.

Presented by the
Transition Alliance NEXT STEPS Team
