- June 15-16~Starting the Caudill challenge
~Students are invited to find out the 20 books nominated for this year's Caudill award. Start reading them all this summer and win rewards.
- June 21-22~Blogging from the library
~Using the Pleasantdale Middle School's library blog, students will learn how to post book recommendations and reviews.
- June 28-29~Art from books
~Students will use old and damaged books to create art.
- July 5-6~New book preview
~Come in to see all of the new books Mrs. Steinmetz received at the library conference
- July 12-13~Series of Unfortunate Events
~Have you read The Series of Unfortunate Events? Come to the library to play games and watch an episode of the Netflix show.
- July 19-20~Book club
~Create a book club at the beginning of the summer with your family or a group of your friends and come to the library this week to discuss. If you let Mrs. Steinmetz know in advance which book your group is reading, there will be a special surprise to go along with it.
- July 26-27~Art and audio
~Come to the library to color or create art and listen to a great audiobook while you are here.
- August 2-3~Summer reading
~This week would be the perfect time to check out your summer reading book.
- August 9-10~STEM in the library
~Science and technology experiments in the library.
- August 16-17~Games in the library
~For the last week of summer library, come with your family and friends to play games, put together puzzles, or just read.
