All PTA events are FREE (excluding Trivia Night) for PTA members along with one class party fee being waived. If you would like to come to an event and are not a member the cost is \$20.00 per family. We will no longer be doing free field trips and have instead put more funds towards cultural events, to allow teachers to provide additional educational opportunities in the classroom. This is in addition to new Innovation Grants for our teachers, funding for the Middle School Musical and Music Departments at both Elementary and Middle Schools.
