

Important Meal Account Balance Information for the End of the School Year

Just A Dash Catering, your Food Service Provider, would like to remind parents that all cafeteria charging on lunch accounts with a negative balance, will **STOP** beginning Monday, May 8th. All negative meal balances must be settled by the last day of school, June 7th. Students must have a positive meal account balance to pay for their purchases daily for the remainder of the school year.

Your student's nutrition welfare is very important to us, so students that have a negative meal account balance beginning May 8th, will be offered an alternative meal and charged accordingly, until their meal account is brought to a positive status. Please send in a check (**Payable to Just A Dash Catering**), or you may make a payment online at www.myschoolaccount.com.

Friendly Reminder's:

What happens to the money in my child's account at the end of the school year?

The balances will automatically rollover to the next school year. If however, your student is graduating or changing schools, Just A Dash Catering will provide a refund.

Can I receive an email when my child's account balance is low?

Yes. You can establish an account balance notification threshold for each child. Once the account balance falls below the established amount, myschoolaccount.com will automatically send you an email notice.

https://help.myschoolaccount.com/parents/MySchoolAccount_User_Guide/Setting_Low_Balance_Notification_Alerts

Questions can be directed to the cafeteria at 246-4700 (Elem) 246-3210 (Middle).

Thank you for your understanding in this matter.

Sincerely,

Just A Dash Catering
