Pleasantdale District 107 Summer Academy 2018 Information

Welcome to Pleasantdale District 107's Summer Academy! All students residing within the boundaries of District 107 currently in grades PreK - 7 for the 2017 - 2018 school year (entering into grades K - 8 in the fall of 2018) are welcome to register.

General Information

- Location:** Pleasantdale Middle School
7450 S. Wolf Rd., Burr Ridge, IL 60527
- Dates:** June 11 - July 6, All classes meet Monday - Friday
**No class on July 4 in observance of Independence Day.*
- Times:** Session 1: 8:50 - 9:50 AM
Session 2: 9:55 - 10:55 AM
Session 3: 11:00 AM - 12:00 PM
- Tuition:** ***Early bird registration by March 23 is \$115*** per 60 minute class;
Registration between 3/23 - 4/30 is \$140 per 60 minute class.
Some courses may also require a minimal materials fee.
- Registration & Payment:** The deadline for registration is April 30, 2018. Pay the entire total due online via "[RevTrak](https://sd107.revtrak.net/)" <https://sd107.revtrak.net/>. **Students are not considered registered for Summer Academy until payment is received in full.* Refunds will be issued for students needing to withdraw by May 1 or if a class is canceled due to low enrollment. Refunds will not be given if a student does not attend the full four week Summer Academy sessions.
- Park District Summer Camps:** ****New this year!*** Pleasant Dale Park District has coordinated with the school district to provide an opportunity for families to send their children to Park District Summer Camp for a reduced rate. *This opportunity is available only for families with children attending all 3 sessions of Summer Academy classes.* The reduced camp rate would be \$125 for each week of Summer Camp for families involved in both the Park District Summer Camp and the Summer Academy Classes. For additional information and questions, please contact the Pleasant Dale Park District Recreation Supervisor Eric Sloyan (630) 662-6220.
- Scholarships:** Available for Summer Achievers "review" classes only through the district for those families meeting district guidelines. Families must apply to qualify for financial help through the district office. Please contact business manager Catherine Chang with questions (708) 784-2172.
- Transportation:** ***Provided by the parent/guardian***
- Attendance:** Attendance is taken daily. Please call the absence line to report an absence at (708) 246-3210.

Health Information

What do I need to provide the nurse's office?

Students currently in grades K - 8 that were enrolled in a District 107 school during 2017-2018 school year already have records on file. Teachers will have access to students' health conditions and emergency health plans. Please update the summer school nurse if there are any changes.

School Board Policy 7:100 requires the most recent physical and immunization record must be on file. If a student was not enrolled in a District 107 school, they will need to fill out an Emergency Health Form. Please notify the nurse if your child has an Emergency or Health Plan in place at his/her present school. If your child was not enrolled in District 107, you must submit a health form, immunization record and recent physical with your registration.

Nurse Notes:

Does your child have Asthma, a Food or Bee Allergy, or other Health Conditions?

- Please remember that if your child has an Inhaler or Epi-Pen that they carry at school, to notify the Summer School Nurse.
- Children prescribed an Inhaler or Epipen should have them available during summer school in case of an emergency.
- Appropriate medication forms should be on file.
- Students may need an Emergency Care Plan (ECP) developed by the school nurse to be shared with teachers and coaches that have a need to know.
- Contact the School Nurse if you have any concerns regarding your child's health status during summer school.

Summer School Nurse:

Denise Rende, RN (708) 246-7619

Summer Academy Enrichment Course Descriptions

Classes held June 11 - July 6, unless otherwise noted

**No classes will be held July 4 in observance of Independence Day.*

*Please use your child's current grade for the 2017-2018 school year for Summer Academy registration.

<p>Session 1: 8:50 - 9:50 AM Session 2: 9:55 - 10:55 AM Session 3: 11:00 AM - 12:00 PM</p>

Get Ready for Kindergarten

Open to students currently in PreK

Session 1

Instructor: Ms. Neuberg

Get ready for Kindergarten! Building on early math and literacy skills through hands on centers. We will focus on number concepts, knowledge of the alphabet and writing skills.

Fun with Literacy

Open to students currently in grades PreK - K

Session 2

Instructor: Ms. Neuberg

Come enjoy activities, games, and crafts based on our favorite stories. Build fine motor, social, and play skills while building friendships.

Games Galore

Open to students currently in grades PreK - 1

Session 3

Instructor: Ms. Neuberg

Get ready to have fun, build friendships while playing games, old and new. We will play board games, dice games, and group games indoors and out!

Look Out, Here Comes Pokemon!

Open to students currently in grades 1-3

Session 1

Instructor: Ms. Keller

Do you enjoy Pokemon? Come join Ms. Keller in doing fun activities in math, reading and writing infused with technology. This will enhance your opportunity to "Catch 'em all"!

Adventures with the Polish Language

Open to students currently in grades K - 3 and 4 - 7

Session 3

Instructor: Mrs. Annoreno, Mrs. Bialobrezski

Looking for an engaging way for your child to develop Polish language skills? Well, look no further! Pleasantdale's Adventures in Polish is a fun way for students to practice listening, speaking, reading, and writing. We will have two separate classes running concurrently, one for students currently in grades K - 3 and one for students currently in grades 4 - 7. Polish language fluency is not required!

Games, Games, & More Games

Open to students currently in grades 2 - 3

Session 2

Instructor: Mrs. Penrod

Come on out and have fun playing new, different, and exciting games. We will be exploring many different ways to have fun while learning about sportsmanship and teamwork, as well as building up social skills and interactions. Students will learn board games, card games, outside games, and so much more.

Crafting in Class

Open to students currently in grades 1 - 3; Session 3

Open to students currently in grades 4 - 7; Session 2

Instructor: Mrs. Dickman

This is a class that your kids will love! Students will use a variety of different elements to create their projects. We will explore the world of Zentangle, paper card crafting, make slime, paint rocks, sand projects, melted bead sculptures, and much, much more using crafting tools to help them create their works of art.

Materials Fee \$20

Gardening 101 for Kids

Open to students currently in grades 2 - 5

Session 1

Instructor: Mrs. Dickman

Calling all gardeners! Did you ever want to make a fairy garden? Do you have a green thumb? Do you love flowers? Would you love to learn how to grow and use your very own herb and vegetable garden that you can actually put in your food to taste yummy? Then this class is for you! In this class we will experiment with different growing methods and techniques to get a jump start on your garden. We will grow flowers, herbs, and vegetables. You will learn about the different plants and explore what helps garden grow. The best part is getting into the dirt and getting your hands dirty. Come and join my garden party!

Materials Fee \$20

Around the World Cooking

Open to students currently in grades 1 - 4; Session 2

Open to students currently in grades 5 - 7; Session 1

Instructor: Mrs. Annoreno

Who doesn't love to eat?! This class will feature interesting food creations from around the world. This will be a hands-on, fun experience to make food.

Materials Fee \$30

Book Club

Open to students currently in grades 3 - 4

Session 3

Instructor: Ms. Borse

This exciting class will enlighten your desire to read some great books over the summer. We will not only read and discuss some great novels but also create projects that go along with these exciting stories. Come read with Ms. Borse!

Babysitting Prep

Open to students currently in grades 5 - 7

Session 3

Instructors: Mrs. Penrod & Mrs. Dittrich

Come and find out how to become the best babysitter in town. In this class you will learn many babysitting safety necessities such as basic first aid, what constitutes an emergency, bug bites 101 and much, much more. We will also explore many fun games, crafts, and other activities to keep the "little ones" entertained for hours.

Materials Fee \$20

Exciting Experiments

Open to students currently in grades 1 - 3; Session 2

Open to students currently in grades 4 - 6; Session 1

Instructor: Mrs. Dittrich

Have you ever wondered how to make flubber? Have you ever thought it would be great to make your own bouncy ball? Ever thought about growing your own crystals and geodes? Would you like to make a volcano and watch it erupt? If these activities sound like they are right up your alley then this is the class for you. We will spend our time making many different experiments, doing other hands on activities, and having fun getting messy all while spending time with our friends and making new ones!!

Materials Fee \$20

Sports and Stats

Open to students currently in grades 4 - 7

Session 1

Instructor: Mr. Ratcliff

So much of sports is data driven. This class will focus on what these statistics mean, how this information is collected, and what it means. Students will use data from their own games to create relevant statistics and learn how this could help them improve their game. Students will also analyze game film and data from professional sports to develop their understanding of the sport. We will focus on the sports of softball, football, and basketball.

Woodworking

Open to students currently in grades 4 - 7

Session 2

Instructor: Mr. Ratcliff

In this class we will learn the basic skills of woodworking. From sawing to sanding, students will have a hands-on approach to learning practical skills. Students will construct numerous projects throughout the duration of the class to show off their creative sides.

Materials Fee \$20

Creative Drama

Open to students currently in grades 3 - 7

Session 3

Instructor: Mr. Ratcliff

In Creative Drama, we develop our skills used in formal theater. This includes activities in collaboration, focus, empathy, creativity, etc. We also explore the roles of actors, designers, and creative problem solvers. We value the individual and the community of learners resulting in an open class demonstrating the activities used during the course. Our classes are centered around the students experiences and learning, rather than the goal of a final theatrical production. Our class is often based around a central character building theme or topic, and we will spend time exploring that topic using theatre, dance, music, and art.

Indoor Aviation

Open to students currently in grades 5 - 7

Session 3

Instructors: Mrs. Lisowski & Zach Lisowski

Have you ever wanted to learn to fly a multi-rotor or a quadcopter? Here's your chance to learn how to fly indoors with a device that is the size of a small dinner plate. Zach Lisowski and Mrs. Lisowski will be teaching standard multi-rotor operating procedures, maintenance, as well as flying the devices indoors. Each student will receive a multi-rotor and will take it home at the end of the class. To comply with FAA regulations, we will be flying indoors only. The class will also include how to properly register an unmanned aerial vehicle (UAV). Zach is a member of Aircraft Owners and Pilots Association (AOPA) and Federal Aviation Association (FAA) and has flown for 8 years.

Materials Fee \$50

Bridge to High School Math

Open to students currently in grade 8

****This course does not count for high school credit.***

Session 1

Instructor: Mrs. Ollmann

Are you worried about math going into high school? Feel you may have missed a thing or two in 8th grade math? Worry no more. Come expand your pre-existing skills so you can gain confidence with your problem solving skills, and key Algebra concepts. We will use desmos.com activities and other technology to help you succeed next year in high school. Join Mrs. Ollmann in graphing, solving, and increasing your chances of mathematical success next year!

Summer Achievers Course Descriptions 2018

Classes held June 11 - July 6

**No classes will be held July 4 in observance of Independence Day.*

The Summer Achievers English/Language Arts (ELA) and Math classes are designed to re-teach and reinforce existing grade level skills and concepts for students to attain mastery. **Summer Achievers courses are by teacher invitation only.* Please know that if a teacher recommends your child for a Summer Achievers course, that should take precedence over an enrichment course. The classroom teacher will issue a Summer Achievers registration form to the student to confirm recommendation of placement.

English/Language Arts Summer Achievers

Open to students currently in grades K-7 with teacher recommendation

Grades K - 7 (8:50 - 9:50 AM)

Instructor: Varies

TEACHER RECOMMENDATION IS REQUIRED FOR THIS COURSE. This class will provide an extension of the school year, providing additional practice for students who required additional intervention support during the school year in the areas of reading and writing. Teachers will contact families to discuss Summer Achievers if it is recommended for a child. Teacher recommendations for participation in Summer Achievers should take precedence over registration in a Summer Academy Enrichment course.

Course Fee \$115

Math Summer Achievers

Open to students currently in grades K-7 with teacher recommendation

Grades K - 7 (9:55 - 10:55 AM)

Instructor: Varies

TEACHER RECOMMENDATION IS REQUIRED FOR THIS COURSE. This class will provide an extension of the school year, providing additional practice for students who required additional intervention support during the school year in the area of math. Teachers will contact families to discuss Summer Achievers if it is recommended for a child.
