

RCBC is collaborating with consulting firm [Policy Integrity Inc.](#) and recycling councils across Canada to gain a better understanding of the impacts of COVID-19 on the waste flows across provinces. We would appreciate your participation in the following data collection efforts, particularly from municipalities and waste hauling companies. Policy Integrity will share the resulting conclusions and reports.

For more information on this project, please contact Peter Hargreave, President of Policy Integrity Inc. at phargreave@policyintegrity.ca.

Please click on the link below to participate; any information you can provide is greatly appreciated.

I wish you all the best in this trying time, and look forward to working with you further once we are through this.
