Race Weekend Schedule

Race Kit Pick Up - Sunday, August 5, 2018

2:00 pm – 4:00 pm

Race kit pick up is an open house/drop in where athletes will pick up their race kits and learn about the race. Plan for about an hour at race kit pick up so that you can attend an orientation session and collect your bib, shirt, kit etc. Race kit pick up is busy just prior to the orientation session.

Upon arrival:

- 1) Line up by your last name to check in and receive your race bib.
- 2) Pick up your TRi KiDS pencil case and SunRype snack.
- 3) TRi KiDS t-shirts are handed out.
- 4) Get body marked. Body marking can also be done on race day.
- 5) Hand in donations for Holland Bloorview Kids Rehabilitation Hospital. Purchase a water bottle for a minimum donation of \$2.
- 6) View course maps, wave lists. Course maps are also found [here](#).
- 7) Check out the TRi KiDS merchandise table.
- 8) Attend the orientation session which take place outside.

Orientation Session Time:

2:30 pm

Is attending an orientation session mandatory?

While orientation sessions are not mandatory we strongly encourage all athletes and parents to attend a session of their choice. Orientations cover valuable information about race day including parking, preparation for race day, arrival times, setting up your gear in transition, race course layout and much more.

Race Day - Monday, August 6, 2018

Race day kit pick up for those unable to attend on Saturday opens at 7:00 am and remains open all day.

Arrival Times:

Age Group	Set up in transition COMPLETED by:
3 to 5	set up in transition NO later than 8:00 am

8 - 9	set up in transition NO later than 9:00 am
10 - 11	set up in transition NO later than 10:00 am

The above times are enforced. Please arrive at least 30 minutes before your age group transition area closes. Set up times are enforced to maintain a safe transition* area.

*Transition is a large, secured area near the swim exit. It is where athletes transition between the swim and bike. Athletes will place (rack) their bikes, helmet on the designated rack, with their gear placed under their bike. The transition area is organized in sections by age group. Look for the sign that matches your athlete's bib colour. Each age group section must CLOSE before the first wave of that age group starts to maintain a safe transition area. Learn more about the 'transition area' [here](#).

The race starts with the first wave of 3 to 5 year olds in the water at 8:30 am. The interval between waves is 3 minutes to start and gradually increases as we move through age groups and the swim distance increases.

TRi YOUTH athletes: The orientation for TRi YOUTH is at 12:10 pm. Please meet at the yellow wave calling tent. TRi YOUTH athletes will start their race at 12:30 pm.

Athletes receive their **wave #** and **wave called at time and wave start time** at race kit pick up. This information is printed on the back of their bibs and on the tear-off portion of the bib. **Be sure to tear off the bottom portion of the bib.**

Arrival and SWiM Start

Upon arrival at the race site

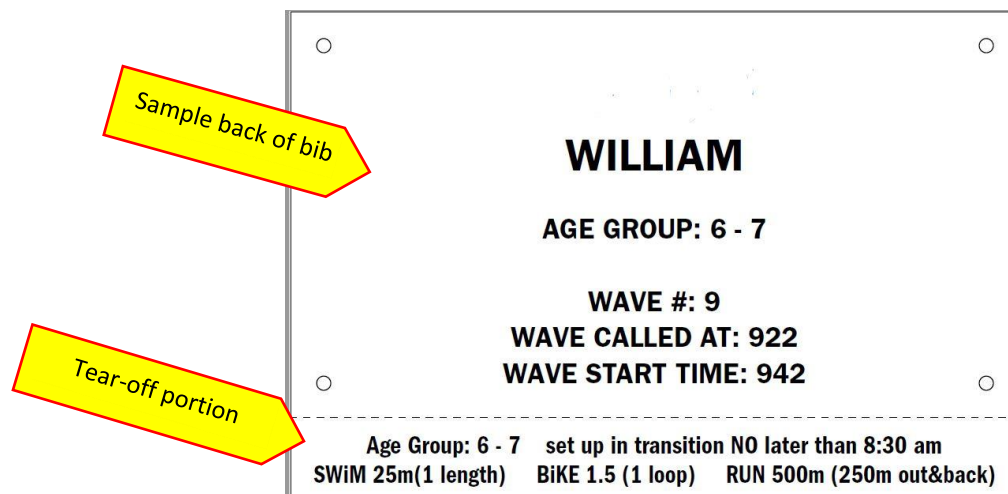

I **attended** race kit pick up on Sunday and have checked in and have my bib.

I **did not attend** race kit pick up on Sunday. I need to check in and pick up my race bib.

Head straight to transition and set up your gear before the closing time. Bike racks are labelled by age group. Set up quickly and exit.

Look for the **red** registration tent. Race day kit pick up opens at 7:00 am. Then head to transition to set up.

- ▶ Athletes should arrive in their swimsuits ready to race
- ▶ Look for the bike racks signs that match the colour of your bib and rack (park) your bike. Place your towel, runners, shirt/shorts under your bike. You can hang your helmet on your bike. Your bib should be pinned to the front of your shirt already.
- ▶ Transition is not a spectator area, once you are set up please exit.
- ▶ Race Crew and Volunteers will assist with set up in transition.
- ▶ Arrive at the yellow 'WAVE CALLING' tent **prior** to the WAVE CALLED AT: time printed on the back of your bib.

***NEW this year – Bibs will have a thin timing chip attached to it. Bibs cannot be worn in the pool.**

- ▶ Listen for your wave # to be called. All athletes in the wave will be escorted to the deck together.
- ▶ Spectators will be directed to the FRONT entrance of the pool building and will watch from the viewing gallery. Spectators will EXIT the same way they came in.
- ▶ **Athletes in the 3 to 5 age group MUST be accompanied by an adult in the water.** Come prepared to get in the pool with your athlete. You must be within arm's length regardless of their swimming ability. Adults will be able to walk across the width of the pool in the shallow end.
- ▶ Life jackets will be available and handed out on deck for those athletes who would like one. Life jackets are the only permitted floatation devices. No noodles, fins or flutter boards. Water wings are permitted **ONLY** in the 3 to 5 age group.
- ▶ 'In water' start, no jumping or diving. All athletes will finish their swim in the shallow end.
- ▶ Athletes are responsible for counting their own laps.
- ▶ TRi KiDS Swim Captain, Lifeguards and Volunteers will be on deck at all times.

BiKE and RUN

- ▶ After the swim athletes head to the transition area to dry off, put on their shirt/shorts, socks and runners. Volunteers are in transition to offer as much assistance as needed. **ONLY ATHLETES AND VOLUNTEERS** are permitted in the transition area while the race is on (except 3 to 5 age group).
- ▶ Helmets must be fastened securely before athletes can touch their bikes. Volunteers will 'unrack' the bikes and ensure the helmet is fastened.
- ▶ **NO HELMET = NO RACE**
- ▶ **NO SHIRT = NO RACE.** Athletes must have their torso (chest and stomach) covered for the bike and run portions of the race.
- ▶ Visit our [website](#) for equipment (bikes) rules. Triathlon Canada sets out restrictions and guidelines which are followed at all TRi KiDS races.
- ▶ Athletes will walk/run with their bikes to the ON MY BIKE sign and head off on the bike course.
- ▶ Older athletes will be completing multiple loops of the bike course. Be sure your athlete understands the looping process and where you will be standing to help them count loops.
- ▶ Upon completion of the required loop(s) the athlete will dismount and bring their bike and helmet to the DROP TRANSITION. This transition is separate from the main transition. Athletes hand their bikes and helmets to volunteers and then head off on the run. TRi YOUTH athletes return to T1.
- ▶ There will be one water station on the run course.
- ▶ Older athletes will complete multiple laps of the run course before finishing. Again, it is the responsibility of the athletes and parents to count laps on the run course.
