The tradition of Fireworks Exhibitions started almost 40 years ago. Held biennially, the call for entry invites participation from across Ontario and beyond. Fireworks has come to symbolize the best in contemporary clay and glass FUSION's members have to offer and is displayed in galleries throughout Ontario for two years.

Fireworks 2019 stands as a testament to the vitality, originality and inventiveness of today's practicing crafts community - a tribute to those makers who have chosen clay and glass as their mode of self expression, and in some instances, their livelihood.
