# January D2L Update

Quiz Builder Opt-in | Rubric Creation Opt-In | New Dropbox Folders Page
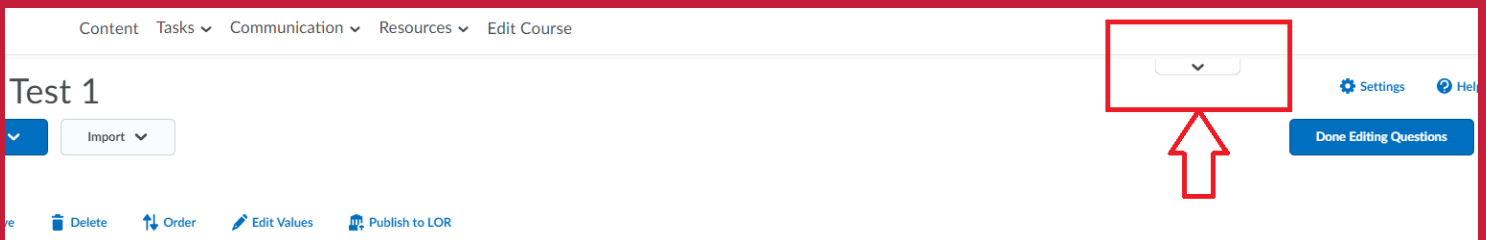

Quiz Builder Opt-in

Instructors can opt-in to the new Quiz Builder quiz creation experience. **Quiz Builder will become the default in May 2020**, so check it out ahead of time by opting in.

Opting In or Out

| Content | Tasks ⌄ | Communication ⌄ | Resources ⌄ | Edit Course |

A new quiz building experience is available!

The new experience is **off**. Turn it on to use new screens for building and arranging quiz content.

Turn it on   Leave it off

When you click Add/Edit Questions in a Quiz, you can choose to opt in or out of Quiz Builder.

Test 1   ⚙ Settings   ❓ Help

Import ⌄   **Done Editing Questions**

🗑 Delete   ↧ Order   ✏ Edit Values   🏛 Publish to LOR

If you change your mind, you can opt-in or out again by clicking the small tab at the top of the Add/Edit Questions screen.
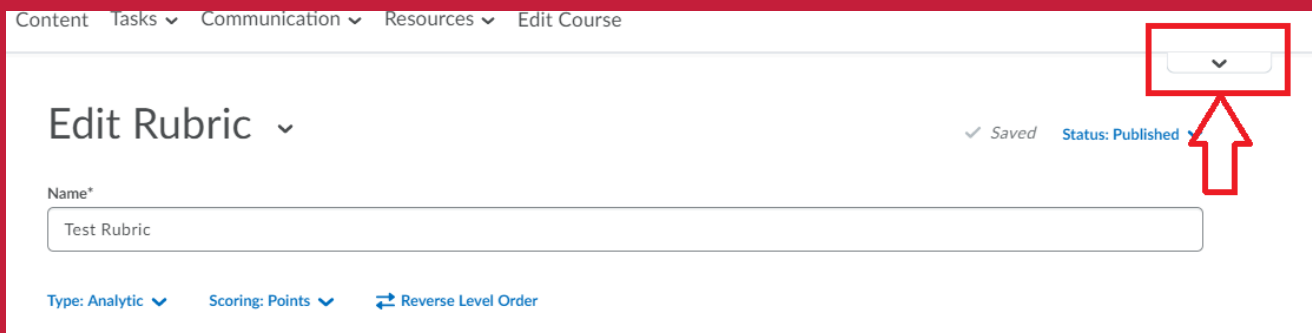

New Rubric Creation Opt-in

Instructors can opt-in to the new Rubric creation experience. **The new experience will become the default in November 2020.**

Opting In or Out

When you click New Rubric in the Rubrics tool, you can choose to opt in or out of the new Rubric creation experience.
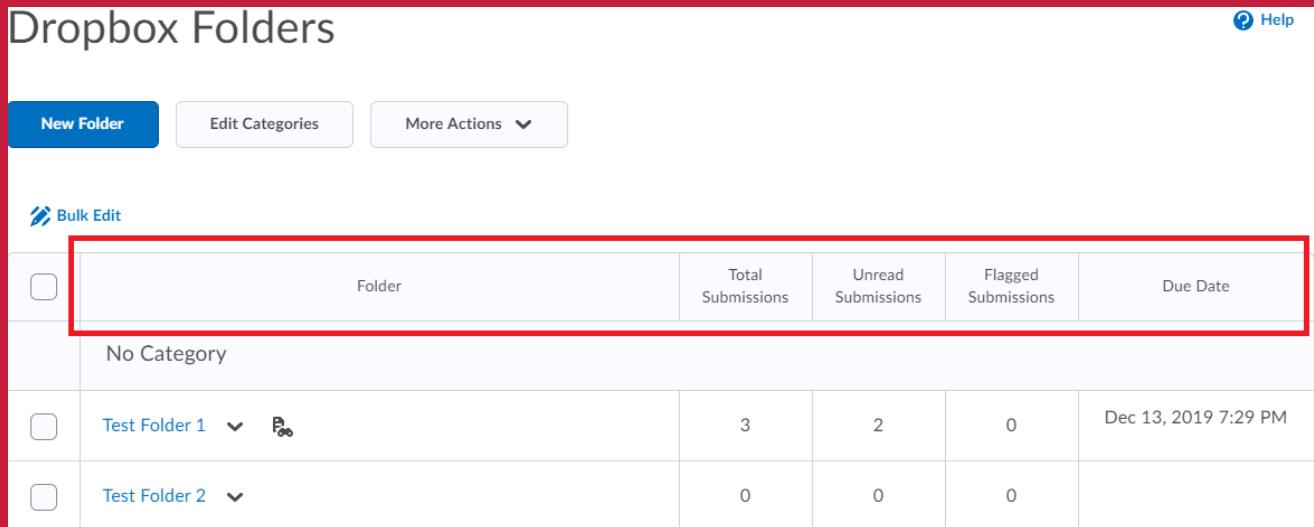

Changed Your Mind?

As with Quiz Builder, you can opt-in or out again by clicking the small tab at the top of the New Rubric or Edit Rubric screen.

New Dropbox Folders Page

For several months, instructors have been able to opt-in to the new Dropbox assignments list page. With the January 2020 update, this new page will become the default.
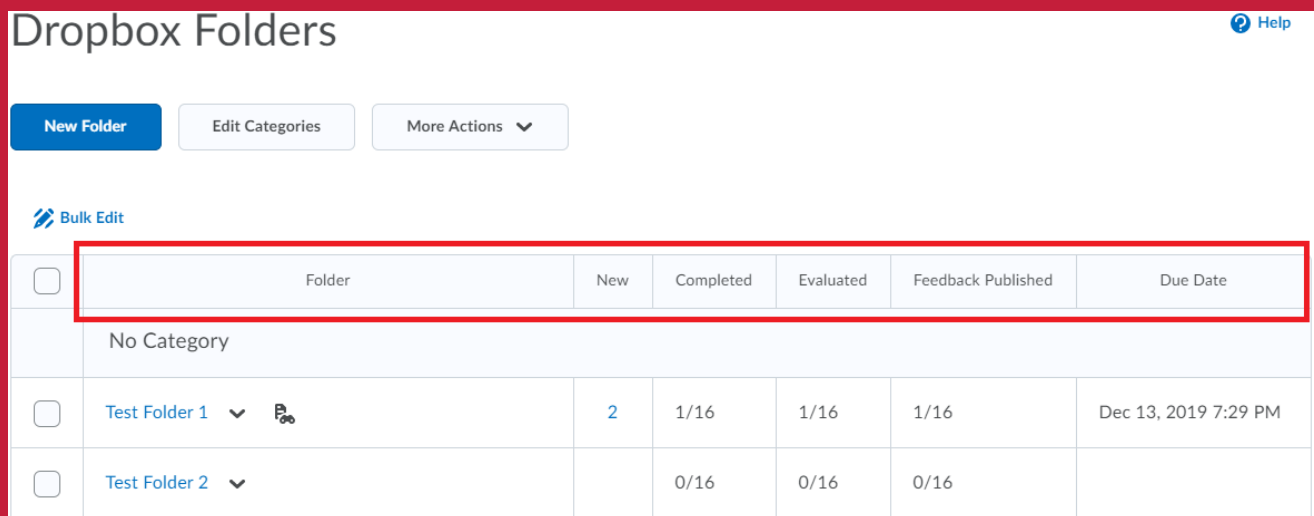

Current Folder Page

The current Dropbox folder page has columns for Total Submissions, Unread Submissions, and Flagged Submissions.

New Folder Page

The new Dropbox folder page has columns for New, Completed, Evaluated, and submissions with Feedback Published.
